

Flower Mound High School Swim and Dive Booster Club

WAC

December 6, 2023

Board Members Present: Erin Ross, President; Katie Jones, Vice President; Bob Kruzel, Treasurer, Edyta Wozniak, Secretary; Katie Lowe, Member At Large, Holly Egan, Dive Representative

Coaches Present: Tony Arbogast, Head Coach; Nick Dion, Assistant Coach

Athlete representative: Jake Lowe

Call meeting to Order/Welcome – Erin Ross, President 6:31 PM

Erin welcomed everyone and handed out agenda for the meeting

Discussed during the meeting:

Senior Night

Everything we need for senior night has been ordered: posters, cupcakes, roses, ribbons, photo drop etc. Still needs to be decided who will be announced first: Marcus or Flower Mound athletes

Team Dinner

Team dinner planned for 1/7/2024 at Bari's

Cost is \$26 per person - sponsored by booster club; we pay only for the ones who show up; we budgeted for \$1.8k; Erin will send a genius sign up form to athletes; the restaurant can accommodate all athletes if all participate.

Motion to vote – Erin Ross, Kate Jones second, all voted in favor

Dinner reminder will be sent on the 1/2/24 thru TeamSnap

Banquet

Date of the banquet has been changed to 4/7/24 Sunday so the coaches can attend.

Booster club pays for athletes; other guests / parents pay for themselves.

Sara is waiting for the updated contract from Circle R Ranch.

Coaches' Update

Coaches consider adjusting next year schedule for water polo and swim team, not offering swim for the first 9 weeks of school and allow swimmers only after water polo season; this gives a break to club swimmers from HS swimming and practice with their clubs only; coaches extended proposal to the HS principal Russell, pending response early January – before next year class schedule goes out.

Swimmers would take the first 9 weeks other class / Senior in, and after that elect swimming

Swim meets would start in October

Any water polo athletes who are not be coming back to swimming after their season is over, would not have to pay booster dues

Treasurer update

Bob handed out up-to date financials: budget and income & expense report as of 11/30/2023

There are 20 athletes who have not paid yet, however dues are optional and athletes cannot be harassed

We made \$900 profit on t-shirts, \$3,200 made on TISCA – still not collected.

Other topics

Districts and regions - we'll require teams to provide timers; we can utilize NHS students for volunteers
Hospitality at districts and regions – usually LHS does that regardless if they have swimmers in regions or not

Meeting adjourned at 7:27 PM
